Dear Applicant,

Thank you for your interest in the Deputy Headteacher vacancy at Decoy Primary School.

The Deputy Headteacher post is central to the success of our school. It could be the next step for career progression as there is no doubt at all that this post will equip the successful candidate for Headship. However, aspiration for Headship should not be the overriding motivator for applying but rather it should be the commitment to becoming involved in all aspects of life at Decoy Primary and to secure the best possible outcomes for all our children.

The Deputy Headship role provides significant opportunities to lead with dedicated leadership time to enable this to be effective. It is however, essential that applicants are highly effective teachers with the ability to model good practice and support colleagues. The proportion of direct class teaching time will vary, in response to the school's key priorities over time. This will be discussed in further detail as part of the appointment process.

I hope that the application pack gives you a flavour of our school and helps you to decide if you are the right candidate for the job and whether Decoy Primary School is the right place for you. More information about the school is available on the school website www.decoyschool.co.uk

Unfortunately, due to the large numbers of applications we receive for vacancies we will be unable to respond individually to unsuccessful applicants who are not long listed for the post.

Yours sincerely

Heather Poustie
Headteacher

Location & Facilities

Decoy Community Primary School has occupied a site of some 1.2 hectares of land on the southern edge of the market town of Newton Abbot since being founded in 1911. It is a larger maintained primary school – with two classes in every year group. Additionally, we have a maintained nursery offering flexible provision for up to 52 children. The school also runs a Breakfast and After School Club which enables the school to support parents who need additional childcare.

The buildings and facilities have been amended and added to piecemeal over the years. Approximately 18% of the site is covered with buildings, which are of various constructions, sizes and vintages, ranging from the original 1911 brick building to a modern modular build community room opened in September

2014. Hard surfacing covers 30% of the site area, mostly as car parking, pathways and external play surface, leaving the remaining half of the site with tended grass cover and some trees around the southern and easterly boundaries. The school is bordered to the north and west by residential roads and to the south and east by allotment gardens and meadowland.

Governing Board

We have a committed team of governors who work tirelessly alongside staff to secure the best outcomes for the school. Apart from the Governing Board we have two sub-committees that meet half termly. These are the Learning and Wellbeing Committee and the Business Management Committee.

Community Links

Decoy is a Community Primary School and we work closely with families to support all children to achieve.

Our active and dedicated Parent Teacher Association support the school, organising fund raising and social events such as the Summer Fete, Easter Fayre, Christmas Bazaar, school disco's, quiz nights and the monthly lottery to name a few. The money raised allows us to further enrich our children's time at the school and keep the school at the heart of the community.

We work closely with a small group of local schools. Teachers, leaders and governors are working on a shared action plan in order to jointly improve teaching and learning.

The school is a member of the local School Sports Partnership. Our pupils take part in training events, tournaments and festivals.

At Decoy, we are committed to helping to train teachers of the future, through our long-standing partnership with Devon Primary SCITT.

Looking Forward

Our vision statement is to 'Inspire Positive Futures'. By this we mean that we want to encourage all children to believe that they can be successful. We do this in a school which strives to support all children, in a culture of mutual respect. We want a new Deputy Headteacher to see every child as an individual and to support them and help them to achieve their best.

Policies

We believe in being open and transparent in our relationships with others. Decoy School website contains an up to date policy section where all of the statutory and many local policies can be viewed.

Ethos

Decoy Community Primary School actively encourages its children to become caring, hardworking, creative and interesting citizens of the future. Pupils are supported to develop respect for each other and positive relationships.

Aims

At Decoy Community Primary School, we aspire to:

- Provide a happy and stimulating learning environment which promotes curiosity, creativity, enjoyment and interest in all aspects of learning;
- Provide high quality education suitable for the needs of each child using a wide range of teaching methods and experiences;
- Ensure all members of the school staff are confident in their respective roles, working together as a team, co-ordinated by effective leadership;
- Provide a personal and social education which will encourage children to become independent, confident, self-disciplined and courteous;
- Create a school environment which is welcoming, visually inviting, and which is safe and secure for all members of the school community.

Values

At Decoy Community Primary School our four values (Try your best, Think of others, Make the right choices, Have a go) enable the children to become effective members of the school community. Our values are embedded in our school environment in addition to our teaching and learning to ensure that they are at the forefront of what we do.

As well as supporting our children with how they relate to others, our values also enable our children to become better learners. Children are taught that the purpose of our values is to support them to achieve in school and also in life.

Our four values are merely headlines for a wide range of 'Learning to Learn' skills. These skills are taught discretely and referred to regularly and explicitly so that over time the children develop a deeper understanding of the skills they need to learn in relation to the four values. These skills are referred to as the key skills.
